Tom:

I'll keep the start- time at 10:30, but with knowledge that you guys may be a bit later because of your flight arrival and travel to our offices. No problem if you're a little late and we start closer to 11:00. And I certainly don't expect that we'll need any more than a couple of hours or so, so you should be able to make it to the airport for your returning flight on time.

Thanks for the quick turnaround on the emails.

Dennis

Dennis:

Here are the email addresses for the AdvanSix team:

Tom Knauer -- tknauer@TKenvirolaw.com
Nelson Johnson -- Nelson.Johnson@apks.com
Phil Sparks -- Phillip.Sparks@advan6.com
John Sheridan -- John.Sheridan@Advan6.com
Fred Harry -- Frederick.Harry@Advan6.com

Some of the AdvanSix participants (including me) will be flying to Philadelphia on the morning of August 30 for the meeting. Our flight arrives at the airport at 9:41 AM. Although we should be able to get to Region III in 49 minutes by train or cab, we might want to start closer to 11:00 AM to be safe. We are returning to Richmond on a 3:50 PM flight so we would want to leave Region III around 2:00 PM. That gives us 3 hours or so for the meeting (and I hope we don't need all that time).

Give me a call if you have any questions or need anything further from the AdvanSix team.

Tom

Tom,

The meeting will be held in the Appalachian Room on the 4th floor of our Regional Office, located at 1650 Arch Street, Philadelphia, PA 19103.

All visitors to the 1650 Arch Street office can access EPA's wireless network via the agency's guest wireless network. The Office of Environmental Information (OEI) requires us to create a unique ID and password for each guest user that is linked to their email address. At your earliest opportunity, please provide me with email addresses for each of your team's attendees, so that I will be able to sponsor each of them and provide this information to OEI in advance of the August 30 meeting, in order to set up guest wireless access for each of them. Each guest wireless ID and password is set up to expire one week after being issued.

Thanks.

Dennis

Tom,

The 30th of August is acceptable.

In addition to Kris Hall, I expect Kerri Nicholas of VADEQ to be there, and Kate Kane of

DOJ to participate by conference call. I suggest a 10:30 start time. Let me know if this is acceptable.

Thanks

Dennis:

I have three dates that the AdvanSix team would be able to come to Philadelphia for a meeting in August. Our available dates are Tuesday, 8/22; Wednesday, 8/23; and Wednesday, 8/30. A start time after 10:00 AM would be best to allow us sufficient travel time on the morning of the meeting. Please let me know which date you select as soon as possible so everyone on the AdvanSix team can make their travel plans.

Right now, the following plan to participate on behalf of AdvanSix: me, Nelson Johnson (outside counsel), John Sheridan, Phil Sparks, and Fred Harry (the Hopewell Plant manager). Please let me know who from EPA, DOJ (if anyone), and VDEQ will participate. The AdvanSix team anticipates sending you a written response to your July 11 letter in advance of our meeting in August. We hope this will help focus us on the remaining important issues for discussion at the meeting. Please give me a call if you have any questions before then.

Tom
